Education

Example University Expected May 2027
B.S. in Computer Science | GPA: 3.6/4.0 *Your City, Country*
- Relevant Coursework: Data Structures, Mobile Computing, Databases, Software Engineering.

Experience

Mobile App Developer Intern Jun 2025 – Aug 2025
Acme Mobile Studio *Remote*
- Built 5 Flutter settings screens from product specs, completing review with 2 engineers.
- Added form validation and accessible labels, resolving 12 issues from a device test pass.
- Profiled image loading and cached thumbnails, cutting gallery load time by 1.2 seconds.

Student Software Developer Sep 2024 – May 2025
Example University Mobile Lab *Your City, Country*
- Built 3 Dart screens on a REST API for a course-events app, shipped on schedule by a 4-person team.
- Fixed 7 layout defects across phone and tablet sizes and documented the project setup.
- Wrote 20 widget tests for the event list and filters, catching 3 regressions before release.

Projects

Campus Route Guide | *Flutter, Dart, OpenStreetMap* | GitHub Jan 2025 – Apr 2025
- Mapped 18 campus buildings and added searchable route cards, tested with 8 student volunteers.
- Saved favorite destinations locally, keeping routes available during network outages.
- Published the app to 30 testers through Firebase App Distribution and fixed 5 reported bugs.

Study Session Planner | *Flutter, Riverpod, SQLite* | GitHub Sep 2024 – Dec 2024
- Created weekly study plans with editable tasks and reminders, reviewed with 6 classmates.
- Stored plans in SQLite and added empty-state guidance, supporting use without an account.
- Added local notifications for 3 reminder types and wrote 12 unit tests for the scheduling logic.

Leadership & Activities

Workshop Coordinator Oct 2024 – Apr 2025
Example University App Development Club *Your City, Country*
- Organized 4 beginner Flutter sessions for 22 students and prepared guided practice exercises.
- Published a starter repo with 5 step-by-step exercises that the club reused for the next semester.

Peer Programming Tutor Feb 2024 – Dec 2024
Example University *Your City, Country*
- Tutored 3 first-year students in Dart weekly, reviewing their code and helping each finish a course project.

Skills

Languages: Dart, Kotlin, SQL
Frameworks & Libraries: Flutter, Riverpod, Android SDK, Material Design
Developer Tools: Git, GitHub Actions, Firebase, Postman, Figma
Core Competencies: Mobile UI, REST APIs, State Management, Widget Testing

Certifications

Flutter Foundations Certificate – Example Learning; Git Essentials – Example University (2025).
